From (Name) Khan Bahadur J. Hussain, Bar-at-law,

(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Revenue Department,

Madras.

Sir,

In the above G.O. the Government authorised the Collector of South Kanara to make a grant of Rs. 1590/- to the Municipal Council out of the Discretionary grant, being half the estimated cost of building a wall to enclose the Mohamadan burial ground at Kudroli and forming a road alongside on the understanding that the municipality contributed an equal amount. The Superintending Engineer while scrutinising the estimate for the wall raised it from 2150 to Rs. 2240/-. On the application of the Municipal Council for the Government subsidy, I paid Rs.1120/- being half the cost of construction of the wall. The Municipal Chairman now

Government i.e. Rs.470/- and suggests that only final adjustment of accounts may be made when the work is completed.

The original value of land to be acquired for the above purpose was Rs.450/- but the Land Acquisition Officer has reduced the valuation to Rs.420-9-2. There is, however, a possibility of extra cost being incurred in case a dissatisfied party takes the matter to a Civil Court. Since the cost of the entire work was to be borne in equal shares by the Municipality and Government, I presume that Government have to bear half the extra cost also if any involved in land acquisition should there be a reference to the Civil Court.

I therefore request the Government to sanction an additional allotment of Rs.500/- under Discretionary grant.

However the Board may be asked whether the amount cannot be met from the grant already allotted to the District for Cy 31-32. and if it is not possible the Board may be asked to come up in time for an addl. allotment.

(T) In Lgo. No. 1516 Rev. of 6-8-1930 the Collector of South Kanara was authorized to make a grant of Rs. 1590 to the Mangalore Municipal Council out of the 'Discretionary grant' towards the construction of a wall to enclose the Muhammadan burial ground at Kudroli and for the formation of a road alongside the wall.

The Collector has already sanctioned a grant of Rs. 1,120 to the Municipal Council and has now applied for an additional allotment of Rs. 500

2. With a view to effect retrenchment in the expenditure under 'Discretionary Grant' the Board of Revenue was, in Lgo. No. 509 Rev. dated 14-7-1931, requested to instruct Collectors at once to stop all further expenditure under this head. Submitted that Revenue may therefore be requested (to ask the Collector) to obtain sanction any further grant in the present case.
